

ALL INDIA HOPE LINE

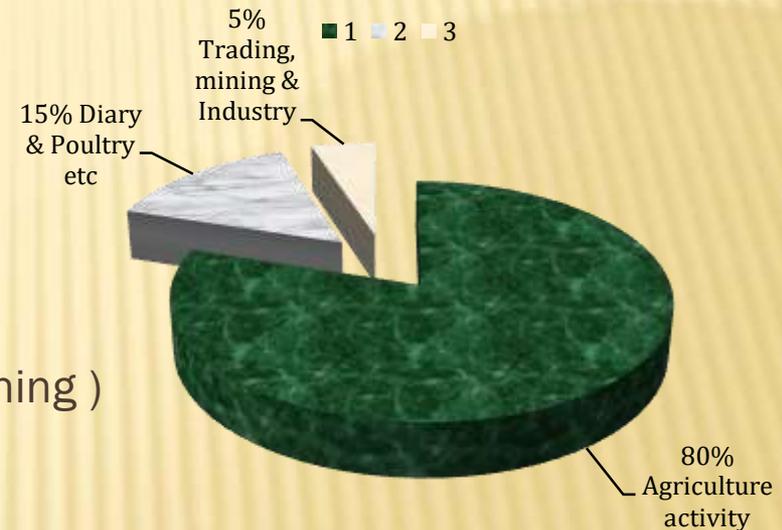

PRESENTATION ON ORGANIZATION PROFILE

HOPE LINE

EAST SINGHBHUM RURAL EMPOWERMENT

- ✘ Rural Employment Profile of East Singhbhum
- ✘ 80 % Agriculture and Related activity
- ✘ 15% Animal Husbandry (Dairy & Poultry)
- ✘ 5% Trading and Industrial Activity (including Mining)

This gives ample scope for organization
Like Hope Line NGO

HOPE LINE

Profile of Employment in East Singhbhum

- *Maximum employment as labour (without land ownership)*
- *Seasonal Employment leading to inconsistent income.*
- *Relocation of labour required to where work is available.*
- *No possibility of skill up-gradation for better future prospects.*
- *Low possibility of saving and capital formation.*

HOPE LINE

Profile of Current agriculture activities

- *Traditional crops cultivated (Paddy, Wheat, Corn) due to ease of storage.*
- *Low acreage of cash crops, vegetable ,fruits and exotic varieties.*
- *(due to lack of knowledge, storage and marketable options).*
- *Low acreage with year long irrigation facility.*
- *Small Size of land holding per person/household.*

HOPE LINE
