ABOUT US

"We are hued in Western civilization." "India is losing its past glory." Where is Indian Culture & tradition?" "Indian youth are in dilemma." and many more questions encounter us in the morning and we try to ignore it with the sip of the hot tea. It is now time to think and assess our behavior and deeds – this will certainly lead us to?

We at Hope Line could not ignore this reality, and have to do something. With the Government license, much hard work, plus the direct help and dedication of many friends, We have managed to create something which is not only starting to address those issue directly but has also become a valuable and living part of youths and women.

The point of debate –could we find the way out? The notion to solve out these complexities seems not very traditional. The ray of the hope we find at hope line –The youth. They have the potential and ability to shoulder these responsibilities to change and bring colors back to Indian glory, the art and cultural heritage of the nation. Youth has been the backbone of every civilization, and very change derived from there. Youth have the energy and enthusiasm to vision a good tomorrow and build a better future. They can transform society... if only we invest them today.

Hope Line has come a long way since its inception, but still has a task of giving life & future to many more youth who live in the clutches of darkness. To promote, survive or sustain Indian ness Hope line could be proved as a role of channel to bring forward youth from the grass root and provide them opportunity to step in towards bright future.

Mission

Our mission is to elevate the emotional and social well being of the youth and make a difference in there lives. We endeavor to do so by providing then the plate form and opportunity through various charitable, welfare, cultural & education programs and events which help them to bring out and harness their skills and talent to make

Vision

Our vision is to work towards a healthy society with positive frame of mind and meaningful lives to do anything for the society, village and country. We take specific care and attention by providing basic necessities of life in an ambience of LOVE and care to make them self reliant and visionary.
